The Lofts is the regular packet boat for St. Louis to-day, having this evening on arrival of the cars. This is an elegant boat and a well-fitted cabin. She is a swift runner and will be expected to run her time. Do not forget the gay Lofts.

The Lake Erie, one of the most popular boats that ever appears at the Memphis landing, and one of the best boats, leaves every evening at 6 P.M. for New Orleans, Capt. Jameson commanding. She is a packet boat, and the United States mail on board. Her cargo consists of a general freight, and she carries a small amount in the cabin, and is an A. No. 1 trip can be counted upon the Erie.

We give notice in time, that on Saturday the 24th instant, and widely known packet boat, the Prairie, leaves for the White River. She is an excellent boat, of unusually high qualities, and Capt. John Lewis, a well known steamboat commander, is an officer engaged.

The boat Twelveth will be at the landing to-morrow, on freight and passengers for New Orleans. She leaves at 4 o'clock this evening.
